

9/11/26

To All Harbor Homeowners:

Phases 1, 2, and 3 have been completed and again, we want to thank you for your assistance and patience.

The asphalt plant closed today due to rain so Pave It Forward has sent the following updated schedule for the remainder of the project.

If you are in Phase 1 or 2 (the Marina and sections of Marina Drive) - please feel free to move your vehicles back to your area, **being careful to only turn your wheels when the vehicle is in motion.** If you have your vehicle parked on the lawn near the book stand and dumpster on Marina Drive at Harrods Cove, please move it back to your area in Phase 1 and 2 to make room for vehicles in Phase 4 and 5.

If you are in Phase 3 (Marina Cove and a section of Marina Drive), you'll be able to move your vehicles back to your area by **tomorrow night (Saturday) being careful to only turn your wheels when the vehicle is in motion.** If your vehicle is parked on the lawn near the book stand and dumpster on Marina Drive at Harrods Cove, please move it back to your area to make room for cars from Phase 4 and 5.

For the remainder of Marina Drive that is going to be paved, there will always be one lane open so you can exit and enter the Harbor - just be sure you do not drive on fresh asphalt.

For Phase 4 (back section of Forest Lake Drive (green)): The pavers will be here on **Monday** and will finish the milling in this area so please do not park in front of your condo, behind your garage, where parking blocks have **not been** moved or within 10' of a walkway that **has not been milled.** This area is also scheduled to be **paved on Tuesday** so vehicles will need to be completely moved out of the area **Monday night.** Your vehicles can be moved back 24 hours **AFTER** the paving has been completed.

For Phase 5 (Harrods Cove and the front section of Forest Lake Drive (orange)): If you live on Harrods Cove, on **Sunday night**, you need to move your vehicle to the lawn area near the book stand and dumpster on Marina Drive at Harrods Cove because Harrods Cove will be paved on **Monday.** Your vehicles can be moved back 24 hours **AFTER** the paving is complete on Harrods Cove.

As we have done before, attached is a file with the map of the phases.
