**AMENDMENT TO BYLAWS
OF
THE HARBOR AT HARRODS CREEK**

The Harbor at Harrods Creek, Inc., hereby gives notice this 27 day of April, 2017, of its adoption of the following Amendment to the Bylaws of The Harbor at Harrods Creek, which is authorized by Section (19)(b) of the Master Deed, dated September 16, 1980, and recorded in Deed Book 5187, Page 290, in the Office of the County Clerk of Jefferson County, Kentucky, and any subsequent amendments thereto, all of which are collectively referred to herein as the "Master Deed."

WITNESSETH:

WHEREAS, The Harbor at Harrods Creek, Inc. wishes to amend the Bylaws to prohibit the leasing or rental of any Unit in the Association as set forth more particularly herein, and

WHEREAS, this Amendment was adopted by a vote of a majority of the members of the Board and 75% of all unit owners, who have approved the following Amendment to the Bylaws, the Bylaws are so amended, as follows:

NOW, THEREFORE, Section (11) of the Bylaws is hereby amended to add a Section (11)(v) as follows:

No owner of a Unit may lease said Unit other than as provided herein.

- i) No more than 25 units may be leased at any time.
- ii) If any unit is conveyed, the new owner shall not be allowed to lease unless they subsequently qualify pursuant to the terms of these provisions. The new owner (or their immediate family) must occupy the unit after taking possession. No leasing of the unit will be permitted except as granted by the Board under the hardship exclusion in subsection (ix) below.
- iii) Owners allowed to lease must have a written lease including the clause pursuant to Subsection x of this amendment, and must have the proposed tenants professionally screened by an approved rental management firm. The proposed lease and results of the screening must be delivered to the Board for approval at least ten days prior to the effective date of the lease. The lease will

not be approved if the Owner's HOA fees are not current. Failure to meet this requirement will result in a fine or other action, even if the lease is subsequently approved.

iv) Any such lease shall be consistent with the provisions of the Master Deed, the Bylaws of the Association, and rules and regulations of the Association, all of which as may be amended from time to time. The lease shall contain a provision which binds the tenant to obey the Master Deed and Rules, and failure to do so is cause for eviction by the unit owner.

v) The Unit owner shall provide the Board with accurate contact information for all tenants and shall provide timely updates if this information changes.

vi) Such lease shall be for a term of no less than one year and no more than two years, and shall not contain any provision for renewal or extension or month-to-month extension after the original lease term.

vii) The Board shall have the power to terminate such lease and/or bring proceedings to evict any tenant in the name of the landlord and/or assess fines in the event of any default by the tenant in the performance of the lease, or if the tenant violates any of the restrictions contained in the Master Deed, Bylaws, or project rules of the Association, or if the Unit owner fails to remain current on HOA fees or in any manner violates the governing documents. Such action may be commenced with 7 days prior notice of such default to the tenant.

viii) "Lease" as used in this provision shall not include any arrangement whereby the occupant of the premises is any family members of the owner. "Owner" shall include a beneficiary of a trust if the owner is a trust. "Family members of the owner" shall include parents, grandparents, children or stepchildren, grandchildren, and siblings of the owner.

ix) A unit owner who is experiencing hardship conditions likely to result in the owner being unable to occupy the unit for 12 months or more may petition the Board to allow leasing for a limited period of time. For example, death, job transfer more than 50 miles, move to a nursing home, or military service may be such causes. Clear and complete documentation of the hardship conditions must be provided to the Board on the form provided by the Board. If an exception is approved, the Unit may be leased for

one year only. Re-application must be made to lease in subsequent years.

x) All units which are rented as of the date of the adoption of this Amendment may continue to be rented during the ownership of the then-existing owner. The conditions of this Amendment shall, however, otherwise apply. Any owner wishing to apply for this exception must present to the Board an accurate copy of their current lease. If an owner who is currently leasing does not have a written lease, the owner must submit a lease to the Board in order to be allowed to continue leasing. The owner must include in any lease the following clause: "If owner or tenant violates any provision of the governing documents of The Harbor at Harrods Creek, then the Association may evict the tenant in landlord's name."

xi) The Unit owner shall be responsible for the payment of all sums due the Association, including damages and reasonable attorney fees incurred by the Association in enforcing these provisions.

xii) Owners may be placed on a waiting list at their request until one of the 25 leased units is sold or not rented.

xiii) The leasing owner and the tenant shall both carry insurance on their interests naming the Association as an additional named insured and shall include a waiver of subrogation clauses to the maximum extent possible.

xiv) An owner who is intending to sell shall give 30 days advance written notice to the Board, including contact information for their real estate agent, if any, and the date the unit will be placed on the market, to allow the Board to be more proactive about informing purchasers of the rules and regulations.

Any other provisions of the Master Deed or Bylaws which are inconsistent with this Article (11)(v) are hereby abolished.

The Bylaws are amended as set forth above and no further, and are restated and incorporated herein by reference.

Attached are the signatures of all the Board members and unit owners voting in favor of this Amendment.

WITNESS our signatures this 18th day of April, 2017.

DURABLE Power of Attorney of:**JANICE M. BERMAN**

I, JANICE M. BERMAN, the principal, residing at 5518 Forest Lake Drive, Prospect, Jefferson County, KY 40059, hereby designate my son, ROBERT LEE MORGAN, JR., residing at 42843 Churchill Downs Drive, Ashburn, VA 20147, to be my Attorney-in-Fact, in my name and for my benefit, hereby revoking any and all powers of attorney I may have executed in the past.

I direct that photocopies of this instrument shall have the same power and effect as the original.

I. POWERS

I confer upon my Attorney-in-Fact full power to administer my personal and business affairs and to deal with all of my property, whether standing in my name alone, in my name with any other person or persons, or in my capacity as Trustee. My Attorney-in-Fact shall on my behalf have full power to exercise or perform any act, power, duty, right, or obligation whatsoever that I now have or may hereinafter acquire, relating to any person, matter, transaction, or property, real or personal, tangible or intangible, now owned or hereafter acquired by me, as I might or could do if personally present, including, without limitation, and, by way of example, the following specifically enumerated powers except for the specifically excluded power in Section I.27:

My Attorney-in-Fact shall fulfill his or her fiduciary duties with utmost good faith and undivided loyalty towards me and act in accordance with the highest principles of morality, fidelity, loyalty and fair dealing.

1. *Powers of Collection and Payment.* To forgive, request, demand, sue for, recover, collect, receive, and hold all sums of money, debts, dues, commercial paper, checks, drafts, accounts, deposits, legacies, bequests, devises, notes, interests, stock certificates, bonds, dividends, certificates of deposit, annuities, pension, profit sharing, retirement, Social Security, Medicare, Medicaid, insurance, and other contractual benefits and proceeds, all documents of title, all property, real or personal, tangible or intangible property, and property rights, and demands whatsoever, liquidated or unliquidated, now or hereafter owned by, or due, owing, payable, or belonging to me, or in which I have or may hereafter acquire an interest; to have, use, and take all lawful means and equitable and legal remedies and proceedings in my name for the collection and recovery thereof, and to adjust, sell, compromise, and agree for the same and to execute and deliver for me, on my behalf, and in my name, all endorsements, releases, receipts, or other sufficient discharges for the same;

2. *Power to Acquire, Lease, Convey, and Sell.* To acquire, purchase, exchange, lease, convey, grant options to sell, and sell and convey real or personal property, tangible or intangible property, or any interests therein, including but not limited to:

3. *Litigation Powers.* To begin, prosecute, reasonably delay, defend, settle, mediate or dispose of any lawsuit, or administrative hearings, claims, actions, attachments, injunctions or other proceedings, or otherwise engage in or participate in litigation;

4. *Management Powers.* To maintain, repair, improve, invest, manage, insure, rent, lease, encumber, and in any manner deal with any real or personal property, tangible or intangible, or any interests therein, that I now own or may hereafter acquire, in my name and for my benefit, upon such terms and conditions as my Attorney-in-Fact shall deem proper;

5. *Banking Powers.* To open or close bank accounts or other financial or security accounts including brokerage accounts, re-title accounts by adding or deleting one or more joint owners, to make, receive, and endorse checks and drafts, deposit and withdraw funds, acquire and redeem certificates of deposit, in banks, savings and loan associations, and other institutions, execute or release such deeds of trust or other security agreements as may be necessary or proper in the exercise of the rights and powers herein granted;

6. *Investment Powers.* To pay or to deposit in my name or in the name of any other person with any bank, broker, corporation, firm, or person any money or property that may belong to me; to withdraw from any bank, broker, corporation, firm, or person any money or property that may now or hereafter belong to me or be due me, and to give instructions or consent to any agent who shall be acting for me and to any trustee of property for my benefit; to transmit, either orally or in writing, in accordance with the procedures established by any investment firm, instructions for the purchase, sale, exchange, or transfers of shares of all funds invested with such firm; to change the beneficiary on any brokerage account or qualified retirement account, including IRA's;

9. *Safe-Deposit Boxes.* To have access at any time or times to any safe-deposit box rented by me or to which I may have access, wheresoever located, including drilling, if necessary, and to remove all or any part of the contents thereof, and to surrender or relinquish said safe-deposit box; any institution in which any such safe-deposit box may be located shall not incur any liability to me or my estate as a result of permitting my Attorney-in-Fact to exercise this power;

10. *Insurance.* To exercise any and all rights with respect to any insurance policy on my life or any annuity contract, or any interest in any such policy or contract, as fully as any owner or beneficiary of the same, to engage in any transaction and to exercise and enjoy all options, benefits, rights, and privileges under such policy or contract, including the right to borrow upon the same, to pledge the same for a loan or loans, to assign ownership of the same to any person, trust, or other entity, to change the beneficiary, and to surrender, assign, exchange, or otherwise modify any such policy or contract;

11. *Power to Create and Transfer Assets to Inter Vivos Trust.* To create any trust, revocable or irrevocable, for my benefit and that of my spouse and issue that I may have power to create myself; to amend or revoke such trust or trusts or any other trust that I may have the power to amend or revoke; to transfer any or all of my tangible or intangible personal property or real property to any such trusts; to the extent permitted by such trust or trusts, to remove any or all property from such trust or trusts (the fact that my Attorney-in-Fact may be a remainderman or a beneficiary in connection with any such transfer hereunder shall not affect the validity thereof, nor, by itself, constitute a breach of his or her fiduciary duty hereunder);

12. *Gift Making Powers.* My agent shall have the full and absolute power to give to my spouse or any of my children, grandchildren, sisters, brothers, nieces, or nephews, gifts outright or in trust of real property and tangible or intangible personal property, including any contractual benefits whether life insurance, annuities or property interests of any nature, whether such interests be present or future interests, vested or contingent, that my Attorney-in-Fact in his or her sole discretion believes would be my wishes and is advisable, provided that the gift or series of gifts takes into account the estate planning wishes I have expressed from time to time

(including through my Will, Trust, beneficiary designations, conversations). Gifts made by my Attorney-in-Fact may be made to my Attorney-in-Fact. The restrictions in this section (12) do not apply to any transfers made under 42 U.S.C. 1396p or any transfers made in conjunction with a written asset protection plan created by an attorney.

The authority herein granted shall include divesting me of assets in favor of other persons or entities, including my agent, for the purpose of converting countable assets into excludable assets for Medicaid, VA, or other governmental programs, or transferring assets with the objective of eventually becoming eligible for Medicaid, VA benefits, or other governmental programs.

13. *Power to Protect Assets and Qualify for Governmental Benefits.* To obtain for me and maintain my eligibility for any and all public benefits and other things due me under entitlement programs; to protect my assets from diminution and to qualify me to receive Medicaid, Supplemental Social Security (SSI) or any other governmental benefits; to create, execute and fund on my behalf a revocable or irrevocable trust on such terms as my Attorney-in-Fact deems to be in my best interests and to transfer to such trust any and all assets, and to apply on my behalf to qualify me to receive any governmental or insurance benefits for which I am or may become eligible; to make any decisions concerning the terms and beneficiaries of such trust, in accordance with my wishes as expressed in any documents I have created, which are still in effect at such time, including but not being limited to, my Last Will and Testament, if any; my revocable living trust, if any; (the fact that my Attorney-in-Fact may be a remainderman or a beneficiary in connection with any such transfer hereunder shall not affect the validity thereof, nor, by itself, constitute a breach of his or her fiduciary duty hereunder); and if I establish a trust to accomplish the goals described in this paragraph, my Attorney-in-Fact is authorized to convey my assets to such trust, provided the Trustee is willing to accept the contribution of such assets; and if I am ever admitted to a long term care nursing home or facility and still own my own home, my Attorney-in-Fact when applying for aid or attempting to create or maintain my eligibility for Medicaid benefits shall indicate my intent to return to my home as soon as I am able, to insure that my home shall remain as an exempt asset for purposes of Medicaid qualification;

14. *Power to Represent Me.* To deal with and represent me before the Social Security Administration and any other federal, state or local agency;

Further, I authorize my attorney at law to discuss and confer with my Attorney-in-Fact such matters as my attorney at law determines necessary, appropriate or helpful in the representation of my interests and, therefore, I do hereby waive the attorney client privilege so as to encourage such communications so as to protect my interests;

15. *Power to Make Statutory Elections and Disclaimers.* To make on my behalf any and all statutory elections and disclaimers available to me at law;

16. *Retirement Plan Powers.* To exercise in any manner any election or option under and to make any one or more withdrawals from any Individual Retirement Account or any stock option, profit sharing, pension, thrift, savings, or other employee benefit plans in which I may

have any interest, and to become a participant in such a plan or to establish an Individual Retirement Account in my name, to change the designation of beneficiary in effect for any such Individual Retirement Account or employee benefit plan in any manner, to waive any rights which I may have with respect to any employee benefit plan in which my spouse is a participant, to contribute to an existing Individual Retirement Account or other employee benefit plan in my name, and to roll over the proceeds of a lump-sum distribution from any qualified pension or profit-sharing plan into an Individual Retirement Account or another qualified pension or profit sharing plan;

17. *Estate Administration.* To assent or to oppose the allowance of any probate or other accounts in which I may be or become interested, and generally to act in any and all probate matters or proceedings in which I may become interested;

18. *Lending and Borrowing.* To make loans in my name; to borrow money in my name, individually or jointly with others; to give promissory notes or other obligations therefore; and to deposit or mortgage as collateral or for security for the payment thereof any or all of my securities, real estate, personal property, or other property of whatever nature and wherever situated, held by me personally or in trust for my benefit;

19. *Contracts.* To enter into contracts of whatever nature or kind in my name;

20. *Health Care.* To take any and all steps necessary to arrange, in cooperation with my health care agent appointed under a duly executed health care proxy, for my admission to any type of health care facility, including, without limitation, a hospital, rehabilitation facility, skilled nursing facility, or hospice, and to authorize the release of my medical records in the discretion of my Attorney-in-Fact;

21. *Use of Funds for My Care.* In the event of my illness, incapacity or other emergency, to incur, pay and satisfy such expenses and obligations for my comfort, benefit and care, and obligations of a nature customarily incurred by me, as my Attorney-in-Fact may consider necessary or desirable or consistent with my wishes, or as directed by my health care agent appointed under my duly executed health care proxy;

22. *Power to Hire and Pay for Services.* To retain such accountants, attorneys, social workers, consultants, clerks, employees, workers, or other persons as my agent shall deem appropriate in connection with the management of my property and affairs and to make payments from my assets for the fees of such persons so employed; and

23. *Reimbursement of Attorney-in-Fact.* To reimburse my Attorney-in-Fact for any reasonable expenses incurred in connection with such services.

24. *Health Insurance Portability and Accountability Act (HIPAA).* My Attorney-in-Fact shall have the power and authority to serve as my personal representative for all purposes of the Health Insurance Portability and Accountability Act, (Pub. L. 104-191), 45 CFR Section 160 through 164. My Attorney-in-Fact is also authorized to execute all releases and other documents

necessary in order to obtain disclosure of my patient records and other medical information subject to and protected under HIPAA.

25. *Power to relinquish dower rights.* My Attorney-in-Fact has the right to relinquish my dower rights.

26. *Power to enter into a pre-nuptial or post-nuptial agreement.* My Attorney-in-Fact has the right to enter into a pre-nuptial agreement or a post-nuptial agreement on my behalf.

27. *Excluded power of Attorney-in-Fact.* My Attorney-in-Fact does not have the power to waive my right to a trial by jury and may not agree to binding arbitration instead of a trial by jury for any reason, including but not limited to admission to a nursing home or hospital.

28. In addition to the foregoing, my Attorney-in-Fact hereunder may act as my alter ego with respect to any and all possible matters and affairs not otherwise enumerated herein and which I as principal can do through an agent.

II. INTERPRETATION AND GOVERNING LAW

This instrument is to be construed and interpreted as a General Durable Power of Attorney. The enumeration of specific powers herein is not intended to, nor does it, limit or restrict the general powers herein granted to my Attorney-in-Fact. For a third party to construe otherwise would be contrary to my intent. This instrument is executed and delivered in the Commonwealth of Kentucky and the laws of the Commonwealth of Kentucky shall govern all questions as to the validity of this power and the construction of its provisions. Nevertheless, I intend that this instrument be given full force and effect in any state or country in which I may find myself or in which I may own property, whether real or personal. I direct that my Attorney-in-Fact not be required to give bond and, if any bond is required, that no sureties be required.

III. PHOTOCOPIES

I direct that photocopies of this instrument shall have the same power and effect as the original.

IV. EFFECTIVE DATE AND DURABILITY

This General Durable Power of Attorney shall take effect when executed by me and shall not be affected by lapse in time nor by my subsequent disability or incapacity and shall be binding not only upon me but also upon my heirs, executor, and administrator up to the time of the receipt by my said Attorney-in-Fact of a written revocation signed by me or of reliable intelligence of my death. If my Attorney-in-Fact is my spouse, and such Attorney-in-Fact files for a divorce or an annulment of the Attorney-In-Fact's marriage to me, the Attorney-in-Fact's power is to be terminated upon the filing for said divorce or annulment.

V. THIRD-PARTY RELIANCE

Any party dealing with my Attorney-in-Fact hereunder may rely absolutely on the authority granted herein and need not look to the application of any proceeds or the authority of my Attorney-in-Fact as to any action taken hereunder. Any party may treat my Attorney-in-Fact or any authorized officer or employees of my Attorney-in-Fact as authorized to act for me on my behalf in the same manner and with the same force and effect as I might or could. In this regard, no person who may in good faith act in reliance upon the representations of my Attorney-in-Fact or the authority granted hereunder shall incur any liability to me or my estate as a result of such act and shall be indemnified and held harmless from acting upon instructions, either oral or in writing, reasonably believed to have originated with my Attorney-in-Fact. I hereby ratify and confirm whatever my Attorney-in-Fact shall lawfully do under this instrument. Any gift of property made by my Attorney-in-Fact in the proper exercise of the gift-making powers specifically granted in section I (12) herein shall be a full and complete delivery of title upon which third-party purchasers for value may rely. My Attorney-in-Fact is authorized as he or she deems necessary to bring an action in court so that this instrument shall be given the full power and effect that I intend on by executing it.

VI. PROTECTIVE PROCEEDINGS

If protective proceedings for my person or my estate are hereafter commenced, I hereby nominate, for consideration by the court, ROBERT LEE MORGAN, JR. to serve as the conservator of my estate and as the guardian of my person. Nothing in this section shall be construed as a direction that such a petition be filed or such appointment be made, and it is my express wish that such action be taken only when and if absolutely necessary.

VII. SUBSTITUTE ATTORNEY-IN-FACT

If ROBERT LEE MORGAN, JR. ceases to act as my Attorney-in-Fact due to death, incapacity, or resignation, I appoint my daughter-in-law, ANNETTE MORGAN, as my Attorney-in-Fact in his/her place. Any party dealing with my substitute Attorney-in-Fact may rely upon her representation as to my original Attorney-in-Fact's death, incapacity, or resignation as conclusively correct. The terms of Article V above shall apply equally to those actions taken by my substitute Attorney-in-Fact and by third parties in reliance on representations of my substitute Attorney-in-Fact.

My substitute Attorney-in-Fact is not liable for the acts of a prior Attorney-in-Fact unless he or she participated in or concealed a wrongful act committed by a prior Attorney-in-Fact.

VIII. SEVERABILITY

The invalidity or unenforceability of any provision of this document shall not affect the validity or enforceability of this document. If a Court of competent jurisdiction determines that any provision is invalid, the remaining provisions of this document shall be interpreted and construed as if the invalid provision had never been included in this document.

SPECIMEN SIGNATURE AND ACCEPTANCE OF APPOINTMENT

I, the Attorney-in-Fact named above, hereby accept appointment as Attorney-in-Fact in accordance with the foregoing instrument. A specimen signature is not required for this document to be valid.
